

The City of Long Beach Department of Health and Human Services and
the **Long Beach Drug Free Communities Coalition**
and the Community Prevention Institute present:

ASSET MAPPING: FINDING ALTERNATIVE RESOURCES

Monday - March 27, 2006 ♦ 8:00 am – 4:00 pm

Location: Family Health Education Center, 3820 Cherry Ave., Long Beach

NO COST WORKSHOP!!!

Your community is a bank of human assets and financial wealth. This workshop will teach participants how to map local assets – both people-based and material-based – and then develop creative approaches to tap renewable, community based resources.

Workshop trainer **John de Miranda, Ed.M.** has extensive experience in program development, research, fund development and a broad understanding of policy issues regarding prevention, treatment and control of alcohol, tobacco and other drug problems. He is the Executive Director of the National Association on Alcohol, Drugs and Disability, as well as Executive Officer for the American Red Cross in San Mateo County.

NOW OFFERING CEH'S

The Community Prevention Institute (provider # CPE 2190) certifies that this course meets the qualifications for seven hours of continuing education credit for MFT's or LCSW's as required by the California Board of Behavioral Sciences. This training is NO COST; however, only registrants who stay the full length of the workshop will receive a certificate or continuing education.
